

## Aon Master Trust wins 2015 Retail Super Fund of the Year

**Sydney, August 21, 2015** – The Aon Master Trust has today been awarded “Retail Super Fund of the Year” by the *Financial Review Smart Investor Blue Ribbon Awards 2015*, for the second year in a row.

Back-to-back Blue Ribbon award wins recognise Aon’s feature-laden superannuation offering, consistently strong investment outcomes and a fund that is continually being improved by a team of dedicated and passionate professionals.

“The Aon Master Trust remains focused on innovation, nimbleness and responsiveness to clients to ensure that it remains relevant in the market,” said Steve Gaffney, Chief Executive Officer, Aon Hewitt Pacific. “In a fiercely competitive market, our ability to deliver results to the people who place their trust in us is critical. This award is recognition of our ability to deliver excellence and inspires us to strive to continually improve both the fund and the potential retirement outcomes for the people directing their contributions to the Aon Master Trust.”

As an example of the Aon Master Trust’s innovation, earlier this year it launched its Direct Investment Option (DIO). “Our Direct Investment Option is designed to enhance the client experience, offering members additional control and choice in the investment of their super.” Steve Gaffney commented. “The DIO offering was developed in recognition of members seeking self-managed style options but without the associated cost or hassles.” Gaffney concluded.
