

Looking to understand **gender pay equity** within your organisation but wondering where to start?

Aon Hewitt's **Gender Pay Equity report** can give you fast, clear insight into where your organisation is positioned compared to the market. It is the only survey-based data report available that allows you to analyse gender pay equity within your organisation, while also benchmarking against the rest of the market.

The **Gender Pay Equity report** provides a comprehensive snapshot of your workforce composition and pay levels by career level and job family against the market. Gender differentials in fixed and variable pay are identified and, importantly, Aon Hewitt's performance rating data allows us to examine the findings normalised for performance outcomes.

The result is a low-cost, board quality paper that can be added to your regular Aon Hewitt survey subscription.

Don't wait to address this critical issue.
